TERRACE HEALTH

“The mission of Terrace Health is to provide personalized care with dignity, respect, and compassion. We will do this by committing to quality service focused on keeping the patients active and independent in their own home.”

Whole person care is obtained by identifying what matters to the patient. We offer a broad scope of home-based care and services for pediatrics through the senior population.

OUR SERVICES INCLUDE:

- Follow-up Care After Hospitalization
- Skilled Therapy Services
- Skilled Nursing Services
- Personal Care Services
- Private Duty Nursing
- Care support and management
- Comprehensive and Specialty Programs

SERVICE AREAS

- Ada County
- Boise County
- Canyon County
- Elmore County
- Gem County
- Owyhee County
- Payette County
- Weiser County

HOME CARE SERVICES

Trained caregivers provide face-to-face support and care to individuals who have difficulties with daily tasks. Care coordinators work with you to provide centralized management and oversight. Benefits are paid by some long-term insurance, Veterans Affairs, Medicaid, and out-of-pocket/private pay.

HOME HEALTH SERVICES

Medically necessary care after a hospitalization or injury that provides in-home rehabilitation and medical management services in your home. Care coordination between you and your doctor to achieve recovery and goals. Benefits are paid for by Medicare, most private health insurance companies, Veteran Affairs, Medicaid, and out-of-pocket/private pay.

HOSPICE SERVICES

When facing a terminal illness, a care team specializing in supporting and comforting patients and their families, comes to your home. Our expert medical care is centered around goals and wishes for symptom and pain management, emotional and spiritual support, and quality of life. Benefits are paid by Medicare if over 65, Veteran Affairs, Medicaid, some health insurance, and out-of-pocket/private pay.
